PM ANALYSIS & VERDICT

- BULL CASE:**
- + Revenue CAGR 38% over 5 years — among fastest in FMCG
 - + Q1 FY27 blowout: PAT +119%, margins expanding (7.7% -> 14.6%)
 - + Nearly debt-free (Rs 109Cr debt vs Rs 1,819Cr cash)
 - + Multi-brand strategy: Mamaearth + Derma Co + Aqualogica
 - + Digital-first distribution moat
- BEAR CASE:**
- RSI 78.7 — technically OVERBOUGHT at 52-week high
 - P/E 67.5x — priced for perfection, no margin of safety
 - Promoter holding only 35.5% — below comfort zone
 - Volume spike on Aug 14 (9.5M vs avg 800K) — suspicious
 - Ad spend sustainability: margins may compress if ads increase
